2021 AMERICAN SOCIETY FOR SURGERY OF THE HAND ANNUAL MEETING

September 30 – October 2, 2021

In-Person or Online

Don't miss the live and virtual upcoming Annual American Society for Surgery of the Hand Annual Meeting!

The hand surgery community will soon come together, in person, for the first time in two years. Not only will the American Society for Surgery of the Hand (ASSH) Annual Meeting be safe ([vaccinations are now required for in-person attendees](#)), but the spirit will be joyous. It's a hand surgery reunion you won't want to miss.

The ASSH understands that many of you may still be facing travel restrictions or schedule uncertainty. For 2021, their Annual Meeting allows attendees to choose from an in-person or virtual registration, with the option to switch your registration type before the meeting without penalty.

The in-person meeting will function as normal, and virtual attendees will have the ability to live stream select scientific sessions. Almost all this year's content will then be made available on-demand for a full 12 months.

Check out their [robust program](#) and [join in-person or online](#).

JOIN OUR INTERNATIONAL HAND SURGERY RESOURCE ADVISORY GROUP

Are you a hand surgery educator and want to make an impact on International Hand Surgery Education? Consider applying to be a member of our International Hand Surgery Resource Advisory Group (IHSRAG)!

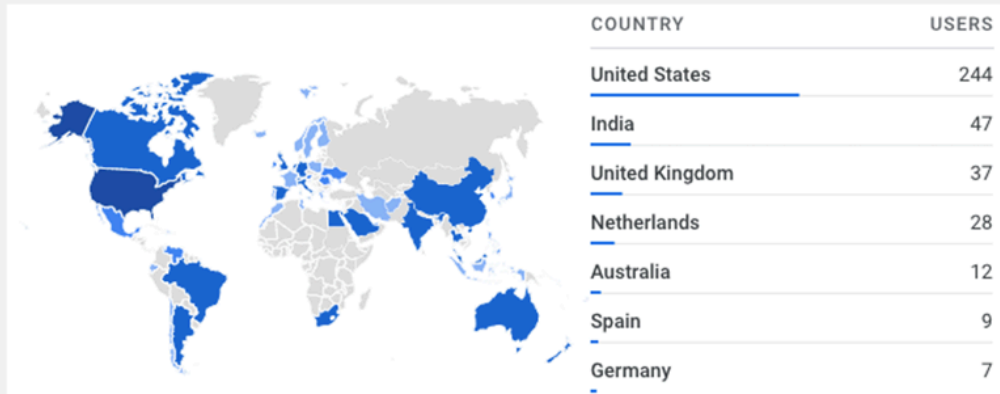

The IHSRAG is a group of distinguished Hand Surgeons, Professors and Therapists from all over the world who assist the Hand Surgery Resource team. They spread awareness of the free educational works available at Resource. They provide endless advice regarding current content, new techniques, advancements and updated material for Hand Surgery Source, Primer, and the Hand Surgery Resource YouTube channel.

Add your voice and country to our educational hand surgery team! Interested in joining IHSRAG? Contact Lawrence C Hurst, MD, President and Director, Hand Surgery Resource at lhurst100@handsurgeryresource.org.
