VOLUME 5, NUMBER 2

**ASSH/AAHS CME WEBINAR:  
CONTROVERSIES AND CHALLENGES IN HAND SURGERY**

March 24, 2021

5:00 - 8:00 PM Central / 6:00 - 9:00 PM Eastern

ASSH/AAHS CME Webinar:  
**Controversies and  
Challenges in Hand Surgery**

Our collaborator, the American Society for Surgery of the Hand (ASSH), has assembled an expert faculty to discuss cutting edge topics and debatable issues that are encountered

in the practice of hand surgery.

The course format includes mini symposia sessions focusing on:

- scaphoid fractures and nonunions
- evaluation and treatment of ulnar-sided wrist pain
- elbow injuries
- carpal instability

Join the ASSH/AAHS for case-based scenarios, lively discussion and debate with point and counter point style presentations. [Click here to learn more and register.](#)

## HAND SURGERY SOURCE APP IS HERE!

We are very excited and proud to announce that the Hand Surgery Source app is now ready for download to your smart devices! Enjoy the same educational content you have been, now in the convenience of an app!

Use the QR codes below, or click the buttons to the app store, to download to your smart device.

After downloading the app, please let us know what you think of it! Happy learning!
