VOLUME 5, NUMBER 4

WEBINAR: SYMPOSIUM ON SURGERY OF THE SPASTIC UPPER LIMB

Hand Surgery Resource is looking forward to the upcoming "**Symposium on Surgery of the Spastic Upper Limb**" webinars on **April 16, 2021**. In both sessions, multiple cases will be discussed, with a mixture of "what should we do", "what went wrong" and "look at this wonderful result".

Cases will be discussed by a panel of international experts in the field of the surgical treatment of the spastic upper limb, including:

- Maribeth Ezaki (USA)
- Mick Kreulen (NL)
- Caroline Leclercq (France)
- Miryam Obdeijn (NL)
- Paolo Panciera (Italy)
- Eva Ponten (Sweden)
- Peter Rhee (USA)
- Jessica Warninks-Kavelaar (NL)
