VOLUME 7, NUMBER 9

**HAPPY HOLIDAY SEASON FROM
HAND SURGERY RESOURCE AND IFSSH!**

EXCITING MERGER NEWS!

Hand Surgery Resource, with its worldwide user group, has merged with the International Federation of Societies for Surgery of the Hand (IFSSH) to further enlarge the global impact of the Federation and its new educational assets, including Hand Surgery Resource, Hand Surgery Source, Hand Surgery Primer, and our YouTube channel.

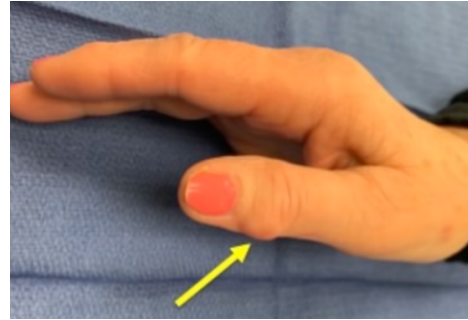

The IFSSH was founded in 1966 for the purpose of coordinating the activities of the world's hand surgery societies in view of increasing and spreading the knowledge of hand surgery around the world. The IFSSH has now grown into a large international society supporting worldwide hand surgery education on a global scale! Visit [IFSSH's website](#) to learn more.

The educational assets of Hand Surgery Resource, and the online text, Hand Surgery Source, continue to be available at www.handsurgeryresource.org, as well as now on the IFSSH's website www.ifssh.info/hand-surgery-resource.php, and the Hand Surgery Source APP is available at the [Apple Store](#) and on [Google Play](#).

HAND SURGERY SOURCE APP VERSION 5.0 COMING SOON

An exciting new Hand Surgery Source APP Version 5.0 is under construction and will be launched by Hand Surgery Resource in early 2024!

This new version will have improved search function and updated design to facilitate easy access to our extensive content, including our new Hand Therapy Library, while maintaining our special tools like Hand Surgery Source's read-it-to-me function.

If you haven't already, get the current Hand Surgery Source App from the [Apple store](#), [Google Play](#), or at Hand Surgery Resource at www.handsurgeryresource.org.
