VOLUME 8, NUMBER 3

## NEW HAND SURGERY SOURCE WEBSITE NOW LIVE!

We are so excited to announce we've launched an exciting new [Hand Surgery Resource website](#) at [www.handsurgeryresource.net](http://www.handsurgeryresource.net)!

Our new website has an enhanced user experience with an improved, updated design, faster, easier access to our extensive content, including our new Hand Therapy Library, and a [newsletter archive](#). And, our site is now open to the public with no registration or login required! Check it out and let us know what you think!

***And stay tuned for details on our new app launching soon, which will feature a new search function and a continuation of the read-it-to-me function!***

The screenshot shows the website's navigation bar with a logo and links for Home, Hand Surgery Source, and Hand Surgery Primer. Below the navigation bar are three main content columns:

- Left Column:** Features a yellow circle with a white 'e' icon. The text reads: "New on Hand Surgery Resource Exciting Merger News!". Below this is a world map and a paragraph: "Hand Surgery Resource, with its worldwide user group, has merged with the International Federation of Societies for Surgery of the Hand (IFSSH) to further enlarge the global impact of the Federation and its new educational assets, including Hand Surgery Source, Hand Surgery Primer and our YouTube channel." At the bottom is a "GO TO NEWSLETTERS" button.
- Middle Column:** Features a yellow circle with a globe icon. The text reads: "Hand Surgery Resource is a free educational asset now provided by the non-profit IFSSH." Below this is a small IFSSH logo and a paragraph: "The IFSSH and the developers of the Hand Surgery site are committed to providing free information on diseases, disorders and injuries affecting the human hand. Currently the Hand Surgery Resource site includes the online content: hand Surgery Source, Newsletter archive, hand Surgery Resource YouTube channel, access to the Hand Surgery Resource podcasts, Hand Surgery Primer website and the Hand Surgery Source App." At the bottom are "Download on the App Store" and "GET IT ON Google Play" buttons.
- Right Column:** Features a yellow circle with a book icon. The text reads: "Hand Surgery Source © Hand Surgery Source is our premier and comprehensive site dedicated to hand surgery education. This website concisely presents the fundamental principles of hand surgery and hand therapy. All diagnoses that affect the hand are reviewed. All symptoms, signs, diagnostic testing tools, treatment options and the hand therapy library are supported with photographs, diagrams, imaging study examples, coding information and references. Read More..." At the bottom is a "GO TO HAND SURGERY SOURCE" button.

## EXCITING MERGER NEWS!

*Hand Surgery Resource, with its worldwide user group, has merged with the International Federation of Societies for Surgery of the Hand (IFSSH) to further enlarge the global impact of the Federation and its new educational assets, including Hand Surgery Resource, Hand Surgery Source, Hand Surgery Primer, and our YouTube channel.*

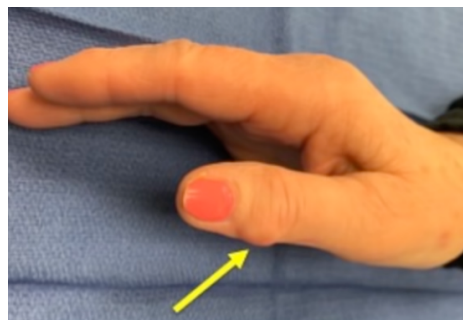

The IFSSH was founded in 1966 for the purpose of coordinating the activities of the world's hand surgery societies in view of increasing and spreading the knowledge of hand surgery around the world. The IFSSH has now grown into a large international society supporting worldwide hand surgery education on a global scale! Visit [IFSSH's website](#) to learn more.

The educational assets of Hand Surgery Resource, and the online text, Hand Surgery Source, continue to be available at [www.handsurgeryresource.org](http://www.handsurgeryresource.org), as well as now on the IFSSH's website [www.ifssh.info/hand-surgery-resource.php](http://www.ifssh.info/hand-surgery-resource.php), and the Hand Surgery Source App is available at the [Apple Store](#) and on [Google Play](#).
