Hand Surgery Resource Newsletter Volume 2, Number 10

HAPPY NEW YEAR!

2018 was a great year for Hand Surgery Resource, LLC, and we're excited to keep the momentum going for 2019 and to announce that HAND SURGERY SOURCE is coming Spring 2019!

If you haven't already, make sure to register for Hand Surgery Primer, our case-based educational site with eight mock patients, each of which has a hand complaint for you to diagnose. The differential diagnosis is provided with support materials that make learning easy and fun. Pre and post-tests allow students to quickly verify their understanding of these common hand complaints. Course performance tools are available for instructors.

To access Hand Surgery Primer, please follow these instructions:

1. Visit www.handsurgeryprimer.org or click the button below.
2. Enter your username and password if you are a returning user
3. If you are a new user, click the Create new account tab and follow steps to create a new user profile, username and password
